YuvaRise Rang Bharat

YuvaRise Rang Bharat is a state-level drawing competition, an initiative by YuvaRise, designed to provide students with a meaningful platform to express their creativity, imagination, and ideas through art.

Open to students from 5th to 10th standard across Maharashtra, YuvaRise Rang Bharat aims to discover and showcase young artistic talent from schools and bring them to a larger stage of recognition.

More than just a competition, YuvaRise Rang Bharat is a movement that encourages students to think, create, and express — transforming their ideas into powerful visual stories.

At the heart of this campaign lies a powerful purpose

To provide a meaningful state-level platform that identifies, nurtures, and celebrates the creative potential of students at the grassroots level.

To encourage confidence, independent thinking, and expression among students, while enabling schools to recognize talent beyond academics.

This unique competition will unfold in two major phases:

School Level Competition

The competition will be conducted in participating schools across Maharashtra, for students of 5th to 10th standard during the month of September.

1 student will be selected from every 15 participants from each school for final.

Final selection for the state-level finale will be based on merit and jury evaluation, and YuvaRise reserves the sole right to determine the number of finalists from each school.

State Level Competition

Selected students from all participating schools will compete in the final round to determine the top 3 artists of Maharashtra, in the month of October.

The competition will be evaluated by a panel of senior and independent judges.

The 1st place winner from Senior category will receive the prestigious 'YuvaRise Rang Bharat Puraskar' and from Junior category will receive prestigious 'Emerging Talent Award'.

Purpose of the Campaign

To provide a meaningful state-level platform for students to showcase and celebrate their creative talent.

To develop creativity, confidence, and independent thinking through artistic expression.

To start a movement of talent discovery, where students don't just compete once — but start believing in their dreams.

To promote equal opportunity for students across urban and rural schools, regardless of background.

Tagline

“Your Colours. Your Expression.”

This tagline reflects the true spirit of YuvaRise Rang Bharat — a platform where every student gets the opportunity to express their thoughts, imagination, and creativity through colours.

It encourages young minds to go beyond boundaries, think freely, and bring their ideas to life through colours. Every drawing becomes a voice, every idea finds expression, and every student gets a chance to be seen, recognized and celebrated.
